JEREMY STANFIELD

May 26, 2021

1 a date that you didn't want to go through?

2 A Just the whole experience with Tawkify,  
3 wasting my time on those dates. It was extremely  
4 stressful, emotionally draining and stressful for  
5 me.

6 Q If you were to put a dollar amount on that  
7 emotional stress, what would you say?

8 (Simultaneous speaking.)

9 A I can't put a dollar amount on it. That's  
10 not something I'm able to do.

11 Q Okay. So in terms of money that you paid  
12 in connection with your experience with Tawkify,  
13 there's the 3,700 for the package; right?

14 A Correct.

15 Q Okay. And then 10 to \$20 on gas per date;  
16 correct?

17 A Yep.

18 Q \$40 on the first date in terms of food and  
19 beverage; correct?

20 A Sorry. Repeat that. I apologize.

21 Q \$40 or so on food and beverage on the first  
22 date?

23 A On the first date, yes.

24 Q But the food you ate yourself; right? They  
25 did not consume the food; correct?

1           **A     Correct.**

2           Q     The second date, you spent approximately --  
3     was it 80 to a hundred on food?

4           **A     Food and drinks, yes, for both of us.**

5           Q     Food and drinks. And you both partook of  
6     the food and drinks on that date; correct?

7           **A     Yes, correct.**

8           Q     Okay. Any other out-of-pocket costs you  
9     experienced as it relates to your interactions with  
10    Tawkify?

11          **A     No.**

12          Q     Okay. Okay. All right. I'm going to mark  
13    as Exhibit 21 another communication that you have  
14    with the company. Give me a second to pull that up.

15                I'll mark this as Exhibit 20 -- 21, excuse  
16    me. Mark as Exhibit 21. It's Bates-labeled  
17    STANFIELD000040. That's the beginning Bates. And  
18    then the ending Bates -- actually, just that page.  
19    Yeah. 000040. Let me pull that up for you, sir.

20                (Defendant's Exhibit 21 was subsequently  
21    marked for identification.)

22                MR. GRAHAM: Okay. Apologies. It's not  
23    maximizing for me. There we go. Okay.

24          Q     Do you see a document on your screen right  
25    now, Mr. Stanfield?
